

WEBELOS

CAMP

SCOUTS | BSA

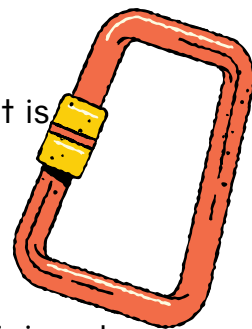

**MAY 31 THROUGH
JUNE 2ND, 2024**

REGISTRATION INFORMATION

WHO CAN ATTEND?

- Current Bears (3rd Grade), who will be Webelos (4th Grade) in Fall 2024.
- Current Webelos (4th Grade), who will be AOLs (5th Grade) in Fall 2024.
- Every unit must have one registered leader in attendance. If the Cub Scout is not attending with their unit, a parent or guardian must attend.

WHAT THIS EVENT IS ALL ABOUT:

This event is a great opportunity for incoming Webelos and Arrow of Lights, to experience Camp Tiak, like never before! The weekend campout will give participants exposure to the Scouts BSA program, while allowing the opportunity to fast track their advancement, all while having FUN! The Program will get Scouts excited about crossing the bridge to Scouts BSA and staying in the Scouting program. The cost of the program will be \$65, includes program materials, meals, tents, and a patch.

CHECK IN:

Check in begins at 1pm on Friday afternoon, May 31st with opening ceremonies beginning promptly at 2:15pm

CHECK OUT:

On Sunday morning, June 2nd each participant will check-out prior to leaving Camp Tiak. Participants should be packed and ready to depart Camp Tiak by 10 am on Sunday morning.

WHAT NOT TO BRING TO CAMP

Personal Firearms or other firearms, ammunition, bows and arrows are not allowed in camp. Only those supplied by the Shooting Sports area are to be used. Sheath knives of any kind are not allowed at any time in any camp operated by the Boy Scouts of America. In addition, no pets or fireworks of any kind are allowed at Camp Tiak. Camp Tiak and/or the Pine Burr Area Council will not be responsible for the loss of these items. Boy Scouts of America meetings, functions and activities continue to be smoke-free that includes the use of electronic cigarettes, personal vaporizers and other electronic nicotine delivery systems. The Boy Scouts of America prohibits the use of alcoholic beverages and controlled substances at encampments or activities on property owned and/or operated by the Boy Scouts of America, or at any activity involving participation of youth members.

SAFETY AND REGISTRATION

HEALTH AND SAFETY

All Scouts and leaders attending camp **must complete Parts A & B of the BSA Health Form**. Upon arrival at camp, each camper will have a physical form on file with the health officer during his/her stay at camp. Health forms will be returned to the leader when the pack completes check out. Physical forms not collected during check out will be destroyed.

***We **HIGHLY** recommend putting everyone's Health Forms in alphabetical order in one binder so that it's all together & stays together. This makes it easier to check-in and easier for you to pick back up at check-out.

EMERGENCIES AT CAMP TIAK

Camp Tiak will have a qualified health officer on the camp property 24 hours a day during the camping season. The health lodge in accordance with state and local guidelines can store and administer all prescription medications as directed by the Scout's personal physician and parents. In the unlikely event of serious illness or injury to a Scout or adult leader, he/she will be taken to the closest hospital for treatment.

BUDDY SYSTEM

For safety the buddy system is used at all times throughout camp. This is very important and will be watched closely by staff. Leaders are asked to be sure each Scout understands the operation of the Buddy System and plan accordingly.

FIRE SAFETY

Camp Tiak has a fire emergency notification system. Under no circumstances shall flames of any kind be used in any tent. If a Scout or leader plans to use their own tent for lodging, they must have the tent labeled "No flames in Tents". This can be stenciled on the tent or placed on a card in front of the tent. Flashlights and battery-powered lanterns, which do not pose an asphyxiation threat, are permissible. In the event of a fire in a campsite, Scouts and/or leaders do not fight fires under any circumstances.

DANGEROUS WILDLIFE

Camp Tiak is a wilderness setting. While visiting the outdoors, remember that we are guests here and that there are several different kinds of wildlife that call Camp Tiak home. Venomous and non-venomous snakes, spiders, ticks, deer, and the national bird of Camp Tiak, mosquitoes, are just a few of the different kind of wildlife you will see at Camp Tiak. Bites from any of these animals can be painful and in some cases very serious, leaders should brief Scouts on the importance of the use of insect repellents and check Scouts for bites at least daily.

FOOD SERVICE

All meals will be served in the air conditioned dining facility. Meals are provided in a modified cafeteria style fashion. A well-balanced menu has been designed to please both Scouts and adult leaders. Scouts will eat together.

**THE CAMP PROGRAM GOES ON,
RAIN OR SHINE!**
